We are confident that we can provide the skills, methodology and experience necessary to meet requirements. Our interviewing and reference checking techniques along with our objective assessment provide us with the basis for minimizing many of the risks inherent in selection.

EXECUTIVE SEARCH

We help you find the best people, build successful teams, and generate value for share holders through excellence. We find exceptional leaders who are in tune with your markets and the culture of your organization and this is achieved through a systematic process as explained below;

- Hands-On Senior Service:** We work directly and closely with you to understand your needs and ensure a successful search
- Needs Analysis and Statement of Requirements:** We work with you to understand your needs and develop a Statement of Requirements to define the search.
- Prospect Identification:** We understand where your ideal candidate is likely to be found and identify the right pool of executive talent. We access our network of industry connections for referrals and recommendations. This is highly customized research which finds candidates with the ideal fit.
- Prospect Research and Qualification:** We investigate our prospects thoroughly and only approach those with the strongest potential. We then qualify those candidates using third-party information and interviews.
- Presentation:** We present only those candidates who are a viable and real leadership option for your firm.
- Assessment:** We carry out formal assessment of candidates under serious consideration, working in alignment with your assessment methodology, or utilizing our own proven methods.
- Placement Follow-Up / Aftercare:** We stay with you and the candidate after selection and placement. We are available to provide any needed support and give regular feedback from the new hires. We combine these elements to deliver an effective, rigorous and comprehensive approach to all our executive searches, and to ensure we meet your needs precisely
